SOS Kids Zone*

**Wayne A. I Frederick
Howard University President**

President Wayne A.I. Fredrick will participate as part of the Run to Cure Sickle Cell campaign. Dr. Frederick was diagnosed with sickle cell anemia at birth. Last year, Dr. Frederick made a pledge online to run a 5K race every month in 2019 to bring awareness to the disease. The campaign seeks to raise awareness and funds for Howard University's Center for Sickle Cell Disease.
